

## PRINCIPLES FOR THE SELECTION AND MANAGEMENT OF THE WORLD ATHLETICS CONTINENTAL TOUR/EUROPE

### SILVER - BRONZE - CHALLENGER MEETINGS

#### 1. Objectives

- 1.1. To maintain an official system of cooperation and liaison between the European Athletic Association (hereinafter European Athletics), World Athletics, the Member Federations, the meeting organisers, and the athletes.
- 1.2 To create an understandable link between the meetings.
- 1.3 To implement a recognisable consequence of the results.
- 1.4 To give a clear status to each level of meeting.
- 1.5 To provide an incentive for meeting organisers to strive for a greater status for their meeting.
- 1.6 To protect all categories of meetings on the international calendar.
- 1.7 To ensure equal competition possibilities for each discipline.
- 1.8 To protect athletes by providing categories according to a ranking system.
- 1.9 To ensure observance of standard conditions, as specified below, by European Athletics.

#### 2. Procedure of making an Application

Applications for European Athletics status **Silver**, **Bronze** or **Challenger** Levels shall be made via the **online platform of World Athletics Global Calendar** - <https://globalcalendar.worldathletics.org/>

Please note that applications fulfilled by organisers must be validated by the respective Member Federation.

Member Federations interested in applying for a permit need to fill out an online application form duly filled in by:  
**Friday 15 November 2024 at the latest**

Fulfilling the Application means that the Organiser agree to observe and respect all following Rules and Guidelines.

#### 3. How to apply for Upgrading

- 3.1 European Athletics will only consider applications for European Athletics status from those meetings that have previously held an international meeting with Challenger or National status for a minimum of one (1) year within the previous two years.
- 3.2 Any Member Federation applying for an upgrading of status shall submit, in its application, the results of the last meeting and details that support such upgrading in accordance with the requirements of status detailed below.

#### 4. Guidelines for Selection of European Athletics Silver, Bronze, or Challenger Meetings

- 4.1 European Athletics will accept the meeting status of three levels.
  - a) European Silver meetings.
  - b) European Bronze meetings.
  - c) European Challenger meetings.
  - d) Meetings staging a limited number of events, even in temporary outdoor facilities (in which case a certificate of facility compliance must be provided to World Athletics), may apply to be either a Silver Level, Bronze Level or Challenger Meeting (as applicable to the Meeting), subject to the following conditions:  
There can be a maximum of five (5) track and/or field disciplines in total (e.g., minimum 2 events per gender) – in case of more than five (5) disciplines, then Rule 8.11 applies.
  - e) As decided by IAAF Council in 2009 and according to World Athletics General Applicable Definitions: International Invitation Meetings and competitions, other than those referred to in Rule 1.9, where appearance fees, prize money and/or the value of non-cash prizes exceed USD50,000 in total or USD8,000 for any one event, must apply one of these three levels.
- 4.2 The requirements for each category are stated in Appendix A.

4.3 The ranking, and consequent up-/ downgrading, of each meeting will be done through an evaluation process conducted by an Evaluation Panel (details to follow in Appendix B).

4.3.1 The European Athletics Silver, Bronze and Challenger Label will be chosen according to the following items:

- ❖ Fulfil the requirements for the European Athletics Silver, Bronze, and Challenger meetings.
- ❖ Evaluation report by Panel
- ❖ Position in the World Athletics Competition Performance Rankings
- ❖ Tradition of the meeting
- ❖ Consistent excellence of the meeting's National Federation concerned.
- ❖ Geographic position

4.3.2 Any meeting in Europe which complies with the World Athletics International Competition Definition rule 1 must request a permit including the date from European Athletics. Not respecting this regulation will lead to sanctions.

## 5. Guidelines for Scheduling

5.1 The allocated date for any European Athletics meeting is a consequence of the conditions set to obtain a permit. The following conditions will be applied:

- Protection windows between meetings of the same or even other concerned levels and the same events to avoid any conflicts in the calendar.
- Recommended dates for the National Championships
- Recommended dates for international matches
- Clear qualification criteria in a further step will be implemented under which an athlete can enter in a higher category of a meeting. Dates for reviewing the qualification status will be additionally set.

5.2 In principle, not more than one (1) European Athletics one-day outdoor meeting may be staged in the same town in any one year. The Silver meetings have priority.

## 6. Programme

Silver, Bronze, and Challenger Meetings shall send their proposal of the programme of events to EA by 15 January of every year preceding the date of the meeting, and EA shall have the right to include one event in the meeting before a specified date.

Categorisation of disciplines and which events at each Meeting will be considered as Silver, Bronze or Challenger events that will score at WA Ranking Points shall be as follows:

- a) Disciplines with international athletes that fulfils all criteria marked on guidelines and that have minimum prize money distributed at each event according to the Level of the Meetings. These events will be the only ones shown on EA and WA websites.
- b) It will be allowed to have National Disciplines with national athletes that will score as E/F label at WA World Ranking. The maximum number of these events cannot exceed 25% of international ones.

EA and WA will only consider those events at each Meeting that fulfils all criteria marked on guidelines and that have minimum prize money distributed at each event according to the Level of the Meetings.

Events that fulfil all these criteria will be scored at World Ranking as B (Silver), C (Bronze), and D (Challenger).
